How great is your name in all the earth! Amen.

## ACTION RESPONSE

Plan a household act of care for God's creation.

- Pick up litter in an area of your neighbourhood.
- Reduce your energy consumption by making an effort to turn off lights or household appliances when not in use.
- Review your home recycling practices. Consider how you could do more.
- Make your voice known on an environmental issue of concern. Write to or email a government official about the issue.
